**The mystical power of the Zodiac uniquely captured in these exquisite limited edition works of art!**

Since 1835, Osborne Mint – America's oldest private mint – has been creating the world's finest quality coins. For the first time, we are making them available directly to the public.

Brought to life by our master engravers, the *Coins of the Zodiac* are individually struck in antique copper and hand-buffed to a fine finish. The

highly detailed engraving on this work of art is 3 times deeper than a U.S. Kennedy Half Dollar, and it's more than twice as heavy. You are sure to treasure yours for years to come!

These handcrafted *Coins of the Zodiac* are a limited edition available only while supplies last. Your satisfaction is guaranteed. Order yours today!

### Satisfaction Guaranteed

If for any reason you are not 100% satisfied with your coin, simply return it within 30 days for a full refund.
